TOTAL GOLF EXPIERENCE

Trueman's Road Golf Range is in the heart of the Mornington Peninsula's golf area.

Designed to offer the total golf experience, Trueman's Road Golf Range is a meeting place for golf professionals, weekly players and family groups (children of all ages are welcome).

The grassed fairway is more than 400 metres long and protected from wind and weather. There are open and covered driving bays with distance markers for golfers to measure their abilities.

IMPROVE YOUR GAME!
Their team of professionals provide private and group lessons. Clinics are available for adults and juniors.

NIGHT GOLF!
Night golf is available each Thursday between 4pm and 7pm at no extra charge. Equipment includes high quality well maintained Mats with variable tee lengths and quality hire clubs and balls (not range balls).

The range opens from 9am daily with club house facilities for equipment, hire clubs and refreshments. Ph. 03 5988 6644 or visit www.golfrange.com.au.

RAVE REVIEWS

"Rosebud Public Golf Course… is Mornington Peninsula's hidden jewel."

"splendid turf quality on the fairways and around the greens"

"it would be a good course in any of our capital cities"

- Australian Golf Digest April 09

Rosebud Park celebrated 50 years as a golfing venue in 2006. Initially, nine holes were developed in 1956 & in 1960 the 18 holes layout became a reality. This picturesque course has been significantly redesigned & enjoys magnificent panoramic views of Port Phillip Bay stretching towards the Heads & around to Bass Strait.

The 13th & 18th fairways were replanted with Santa-Anna couch and like most other fairways on the course are in excellent condition & the use of re-cycled water has ensured that the course remains in excellent condition despite the lack of rain.

Experience for yourself the excellent golfing layout, the outstanding views, and the modern under-cover BBQ facilities.
