

Darling Park's 20km tasting platter comprising tasty morsels sourced within 20k of the winery.

Tyabb Packing House showcases antiques and collectables sure to delight even the most critical connoisseur! Jewellery is such a personal selection, but Minzenmay's in Mornington, and now also in Frankston, have a large range of exquisite pieces.

ACTION ADRENALIN

A gallop along a windswept backbeach will surely erase the cobwebs! Or perhaps choose to drive a locomotive under the guidance and instruction of Mornington Railway members. Kayak along the coastline with the curious dolphins. Relax. Go Fishing!

Learn to snorkel or dive. Take up the option of self drive boat hire. Never played golf? Learn from a professional at one of the many undulating courses on the Mornington Peninsula.

SLOW RHYTHMS

Savour time spent in this beautiful region. Look for the last of the roses.

Stroll the grounds of Ashcombe Maze and Lavender Gardens (pictured above). This is home to Australia's oldest traditional hedge maze and has 25 acres of gardens to enjoy.

Take an evening tour at Moonlit Sanctuary and see endangered species such as quolls, bettons and other rare species. Visit French Island and learn of the history of this somewhat untouched island.

Create your own footprint in the sand. The Mornington Peninsula will open all its windows of enjoyment to you, but you will need more than a day. This tranquil region is a holiday paradise for those who simply want to slow down the pace or for those who like to be 'on the go' all the time. The agenda is yours to create in mostly mild weather conditions. Visit soon!
