Rosebud

Rosebud is the traditional family holiday resort of the Peninsula. Accommodation is excellent, with a wide range to suit all budgets, and facilities include several top golf courses, a new cinema complex, minigolf, tennis, bowls, ten pin bowling, skating, and a number of amusement centres.

Sea, sand, sun, foreshore, family, fun, camping, cooking in the great outdoors, every recreation you could hope to explore make holidays in Rosebud an iconic Peninsula experience. Some families are five generations into the tradition of camping on the Rosebud foreshore.

The photo, The Merry Makers, was taken on the foreshore in 1922, but that scene could have been fifty years before or fifty years after. Fifty years hence new Merry Makers will come to enjoy the pleasures Rosebud has to offer.

Seashell strewn soft white sand, shallow turquoise waters, and 200 metres of sandbars extending toward the horizon, make Rosebud a perfect family beach. When the tide goes out it leaves pockets of warm shallow water perfect for toddlers and others content to enjoy a simple wade.

The foreshore reserve runs for about seven uninterrupted kilometres between Point Nepean Road and the bay and between the McCrae lighthouse and Thomas Creek in Rosebud West.
